Chairman Barb Grabner-Kerns called the meeting to order on Tuesday, August 11, 2015 at 5:00 P.M.

First agenda item discussed was planting trees at the Keep Taylorville Beautiful park on Route 48 and the lake. Evergreens would need to be planted no later than the first week in September. Electrical is to be added to the Welcome to Taylorville signs (all but the sign on Route 29 on the north side of town).

Motion for immediate tree planting at the lake was made by Phyllis Wilson seconded by Kira Propst. Carried 4-0.

In other matters, Mayor Brotherton informed the board of an anonymous person who wants to donate several evergreens to the city for planting. Would like to put them by the Keep Taylorville Beautiful park along McAdams Drive. Mayor Brotherton would find out more on this and keep Chairman Grabner-Kerns informed.

A tree removal request was presented before the board at 415 E. Park Street. An official request will be put through and removal will be discussed at the next tree board meeting.

No other matters were brought before the board.

Motion by Barb Grabner-Kerns to adjourn seconded by Kira Propst. Motion carried 4-0. Meeting adjourned at 6:00 P.M.
