

## **NOTICE OF PUBLIC HEARING**

The City of Taylorville will hold a public hearing to discuss its intentions to complete water system improvements and to provide the public with the opportunity to present comments.

The project consists of:

- a new water treatment plant
- new transmission mains
- associated valves, hydrants, and interconnects

TIME: 6:45 pm

DATE: Monday, March 21, 2016

PLACE: City Council Chambers, City Hall, Taylorville, IL

Information related to the proposed water improvements consisting of a Water System Facility Plan Update prepared by Benton & Associates, Inc., consulting engineers, and the preliminary Environmental Information Document prepared by the Illinois Environmental Protection Agency (IEPA) are available for review in the City Clerk's office at City Hall. There will be a 10-day comment period subsequent to the public hearing to receive comments from interested and affected parties. Comments may be submitted to the City Clerk's office or the IEPA. This public hearing is part of the requirements in which the City must comply with in order to qualify for a low interest loan from the IEPA Public Water Supply Loan Program.
