Superintendent Brune requested clarification on the new CDL Training in the AFSCME Contract. In order to complete the CDL class a DOT physical & drug screen must be completed and permit fees must be paid. This totals \$175.00. The contract states when the employee passes the CDL class the fees will be reimbursed it is questioned if the \$175.00 would also be reimbursed. After a short discussion the Alderman advised Superintendent Brune upon successful completion of the CDL class all fees the employee paid will be reimbursed.
