Chairman Bryant called the meeting to order at 6:00 pm.

Heavy Equipment Operator – Water Treatment Plant

Superintendent Brune advised this position is a Heavy Equipment Operator A and it only needs to be bid.

Motion by Alderman Wilson and seconded by Alderman Dorchinecz to recommend to the City Council to bid the Heavy Equipment Operator A position at the Water Treatment Plant. Motion carried 3-0.

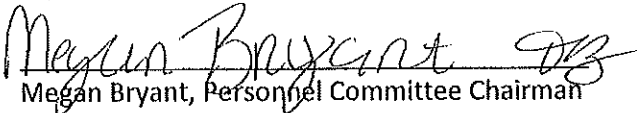

Discuss Department Titles with CDL Requirements

Chairman Bryant explained there has become an issue filling the Working Foreman position in the Cemetery. This is due to the requirement of a class A CDL license in a position that doesn't utilize equipment in this classification. There is also an upcoming position in a different department that has the class A CDL requirement and again, is not necessary. Tammy Nicol addressed the Committee and believes that experience on the job outweighs having a license or degree and the City should want the most knowledgeable person for the job.

Motion by Alderman Mitchelson and seconded by Alderman Dorchinecz to recommend to the City Council to direct the Finance Chairman and the Mayor to negotiate with AFSCME to change the CDL requirement to an as need basis per department. Motion carried 4-0.

Adjournment

Motion by Alderman Wilson and seconded by Alderman Mitchelson to adjourn. Motion carried 4-0. The meeting adjourned at 6:10 pm.
