Memorandum of Understanding - AFSCME (RE: Vacation Days)

AFSCME President Damon Moore explained the union's request for a Memorandum of Understanding (MOU) that would allow employees to use vacation time in half-day increments. He clarified that the time would be taken at either the beginning or the end of an employee's shift, rather than in the middle of the workday.

Chairman Bryant stated that she believes the matter should be addressed during contract negotiations. Mayor Barry indicated that he does not see an issue with allowing employees to take vacation time in half-day increments.

No action was taken.
