OUR CHIEF'S STATEMENT

To the Mayor, City Council, Residents and guests,

- I am pleased to submit the 2022 Taylorville Police Departments Annual Report to the City Administration, the citizens of Taylorville, and our guests. The report includes statistical crime data, traffic enforcement statistics, crash information, and general service details. It also includes our accomplishments for 2022 and goals for 2023.
- In compiling the data from 2022 I was very pleased with our overall statistics and the services provided to our residents and guests. Having been in this position for over two years, I acknowledge there is still work to be accomplished, though I am ecstatic about our progress and the direction the department is advancing. I see positive changes in our statistics as well as our relationship with the community we serve.
- I am very proud of our department as I feel each officer has vast knowledge of police work. We have a diverse group of officers with the seasoned veterans bringing experience and knowledge while adding youth to bring fresh ideas and energy. The Administrative Assistant Kirsten Nelson is valuable as she maintains the day-to-day operations of the office while answering countless phone calls of requests, concerns, and questions.
- I trust that you will find this report both intriguing and informative. I would like to thank all of you for the continued support of the Police Department and myself. I truly feel honored to serve our city as the Chief of Police and take this position with much humility. I am hopeful to reflect the ethics, morals, and values of our city's leaders and residents and look forward to many good years ahead. If you have inquiries about the data or information presented here, I will be pleased to answer any questions. I also welcome concerns and suggestions as to how we can better serve our city's residents, businesses, and guests.

COMMUNITY ACTION/EMERGENCY RESPONSE TEAMS

- TPD is extremely happy to partner with Assumption Police, Stonington Police, Morrisonville Police, Kincaid Police and Edinburg Police to fight the war on drugs. Since the inception of this team, we have all seen a decrease in crime and more narcotic investigations. The ERT team consists of members of the majority of the departments. The team members are SWAT trained and also train monthly. We are extremely lucky to have this team in our county. The team helps our CAT team conduct search warrants and assist on ground searches if needed.
- The Community Action Team has conducted several narcotic investigations throughout the year in Taylorville, Kincaid, Assumption and Stonington. This had led to several arrests along with search warrants. The partnership has grown in 2022 and we expect 2023 to be even a better year. The CAT team thanks all the citizens that have helped us in 2022.

CANINE (K9) DIVISION

In the beginning of 2022, TPD only had one K9 unit and handler. This year Officer Rachel Priddy completed K9 handler training and completed the certification with her new K9 Alan. The Taylorville Police Department has currently two K9 units. The team is Sgt. Alwerdt and K9 Kairo as well as Officer Priddy and K9 Alan.

A K9s keen sense of smell helps them to detect items that a human officer might miss, especially drugs and bombs. With training, K9s can even sniff out drugs that are sealed in plastic.

K9s can also be used to search for flammables and explosives. And a positive indication from a K9 is legal grounds to establish probable cause for a search.

K9s are frequently used to track missing people in search-and-rescue missions. Once a dog is given a piece of an item with the scent of a specific person, they can lead the police down the path that person took. This is also useful when tracking down suspects or escaped convicts. K9s can quickly lead teams down the right way. During a pursuit or search and rescue mission, every minute counts, so having this extra knowledge is invaluable.

OUR GOALS FOR 2023

Looking forward into 2023 we are excited about our community engagements and continued efforts to keep the community safe from drugs and crime.

The year 2022 was a year of great change and momentum for the Taylorville Police Department. As we move into 2023, the staff at the police department is excited about the boundless new opportunities that we have been presented to continue to recognize the Taylorville Police Department as a premier police department using innovative and progressive policing strategies resulting in a safe community.

In 2023 the citizens of Taylorville will also be hearing about the possibility of a new justice center. This is an extensive, exciting project that involves the cooperation of many city departments. The current public safety building was built in the 1960s and our needs have far outgrown what the current building is able to provide. We are excited to bring to you a plan for what the future of public safety will look like with a new building.

Our outreach will continue in the new year with many community events planned. We hope that you continue to get to know your police department and we look forward to meeting you in 2023

Our outreach will continue in the new year with many community events planned. We hope that you continue to get to know your police department and we look forward to meeting you in 2023

Taylorville Police Department would like to thank you for taking the time to read our annual 2022 report. TPD strives each year to make this report more transparent.

TO THE PEACEKEEPERS

The city sleeps a peaceful night, Because of those in blue. So many, completely unaware, Of most of what they do.
 Not knowing what may come, But willing to take on the day. Like modern knights with armor and weapon, Leading into the fray.
 To battle the foes each day and night, These modern warriors go. Confronting the bad and helping the good, putting down society's woes.
 The life they lead is often hard, They are a breed apart. A tougher job no one will find, Or one that takes such heart.
 When any fall, whatever the case, A deepening pall descends. The specter they battle rears its head, They know they depend on friends.
 This universal family Of those who wear the badge, Have deep-running ties that do not fade, To those who fought in the past.
 We owe a debt to these that take To this battle every day, So we can sleep in peace each night, While for us, they head to the fray.
 In memory of the fallen brothers and sisters

*We thank you for your continued support
 in our efforts keep Taylorville safe*
