BDD reimbursements are provided for BDD-eligible project costs (pursuant to 65 ILCS 5/11-74.3-1 *et. seq.* as amended, the "Act") and only for such eligible project costs that are incurred and verified for redevelopment projects undertaken within the designated BDD No. 1 Redevelopment Project Area. All BDD Applications are reviewed by the City's BDD Advisory Committee prior to approval of a written redevelopment agreement by the Taylorville City Council and all reimbursements by the City are subject to the availability of funds.

1. Only properties located within the Taylorville Business Development District No. 1 Redevelopment Project Area (the "BDD Area" or "Area") as depicted below are eligible to apply for BDD assistance. To verify a property is located within the BDD Area, contact the Office of the Mayor at the City of Taylorville for assistance: 115 N. Main Street, Taylorville, IL 62568; or Ph: (217) 287-7946.

2. All applicants are to attach a description of the planned improvements, estimated costs (contractor bids, if any) of the project, and the project schedule. Conceptual sketches, photographs and drawings are encouraged. The City reserves the right to request additional information, including, but not limited to, how the property will be utilized (e.g., commercial, residential, type of business, etc.) after the renovations are completed.
3. All projects undertaken with BDD Funds must comply with applicable City of Taylorville design guidelines, zoning ordinances and building codes.
4. A Tenant-Applicant of a building for which the reimbursement of leasehold improvements is requested through BDD Funds must provide written consent from the Property Owner for all proposed improvements (see *Appendix A*).

5. The City of Taylorville reserves the right to accept BDD Applications from those Applicants who undertake projects the City deems to be compliant with the Act and for projects that the City believes will further stimulate the type of redevelopment that is consistent with the Taylorville Business Development District No. 1 Redevelopment Plan, and Projects. While the Taylorville City Council shall exercise its authority pursuant to the Act to reimburse private redevelopment project costs in such amounts that are deemed to be in the best interests of the citizens of the City of Taylorville, the following guidelines shall be generally considered as may pertain to the reimbursement of private BDD-eligible project costs:
 - a. Reimbursement amounts not to exceed Fifty Percent (50%) of total project costs for Projects requiring a total verified minimum investment of \$2,000 to \$9,999;
 - b. Reimbursement amounts not to exceed Thirty-Five Percent (35%) of total project costs for Projects requiring a total verified minimum investment of \$10,000 to \$49,999; and
 - c. Reimbursement amounts not to exceed Twenty-Five Percent (25%) of total project costs for Projects requiring a total verified minimum investment of \$50,000 or more.

6. Applicants must, in advance of receiving BDD funds: a) verify that the most recent real estate tax bill(s) have been paid for the Property; and b) verify BDD eligible project costs in an amount equal to or greater than the amount approved by the City Council. **BDD Funds are paid by the City of Taylorville to Applicants:**
 - a. **with whom the City Council has approved a written redevelopment agreement by City Ordinance;**
 - b. **upon completion of the Project and terms of the redevelopment agreement; and**
 - c. **following the verification of BDD eligible project costs that have been incurred by the Applicant – no exceptions.** The City's obligation hereunder to pay BDD funds for eligible project costs is a limited obligation to be paid solely from the Taylorville BDD No. 1 Special Tax Allocation Fund, unless otherwise specified in the redevelopment agreement.

7. It is the understanding of the City and the Applicant that the position of the Illinois Department of Labor is that the Illinois Prevailing Wage Act does not currently apply to sales tax incentives, such as BDD Funds, that are received by private Developers as reimbursement for BDD Eligible Project Costs. This position of the Department of Labor is available online at: <https://www2.illinois.gov/idol/FAQs/Pages/prevailing-wage-faq.aspx#qst16>. Any project costs incurred by the Developer within a public right-of-way or for which the improvements are intended to be dedicated to the City are subject to the Prevailing Wage Act.

8. All Applications are subject to review by the City's BDD Advisory Committee and the City Finance Committee prior to City Council approval.

The undersigned certifies and warrants that to the best of his/her knowledge the information contained in and attached to this Application Form is true, correct, and complete and furthermore agrees to the terms and conditions provided herein.
