Permit Fee \$25.00

This permit is subject to the terms and conditions of Section 10-14-3 of the Taylorville City Code, a copy of which is attached hereto and incorporated herein by reference. This permit is issued to allow the use of Portable Storage Container at the above-named address. This permit is good for (60) sixty days from the date of issuance. If the city's health, building, and zoning enforcement officer determines there are site constraints that dictate placement elsewhere, and subject to compliance with the regulations and standards set forth in section [10-14-4](#) of this chapter, and provided a portable storage container permit is first obtained from the city's health, building, and zoning enforcement officer, a portable storage container may be placed, maintained, stored, or used for storage on a public street, public roadway, public alley, or public right of way for a residential dwelling on private residential property located within any zoning district for a maximum period of sixty (60) consecutive calendar days within any calendar twelve (12) month period. Such maximum sixty (60) day period may be extended by the city's health, building, and zoning enforcement officer for a period of time as he may deem appropriate and necessary to facilitate the moving and/or relocation of an occupant's residence or to facilitate cleanup or restoration activities resulting from natural disasters, floods, fires, windstorms or other unforeseen catastrophic events, or to complete repairs or remodeling of the interior, in whole or in part, of the residential dwelling located on such private residential property. The fee for such portable storage container permit shall be twenty-five dollars (\$25.00); and each owner and occupant of the property where such portable storage container is to be located must sign the application for such permit and each such owner and occupant shall comply with and be bound by this chapter.
