BATHROOM/SEWER REPAIR FOR MUNICIPAL BUILDING

Alderman Skultety advised the committee of the ongoing issue with the bathrooms in basement of the Municipal Building. He advised that Ricci Plumbing has been called for repairs several times in the last year. The bathrooms are currently blocked off due to sewage back-up issues. He also advised that we have received one quote back from Ricci Plumbing in the amount of \$20,038.00 to repair. Repairs would not be started until electrical work is completed in basement. The issue was discussed among the Alderman, the cost can be worked into this year's budget and BDD funds can be used. The issue will be brought back in a month with Ricci Plumbing being invited to that meeting.

ANY OTHER MATTERS

Mayor Barry advised the Committee that the Lake Department would like to hire an additional part-time employee to work 25 hours per week at the Marina. The wages for this employee would be paid out of the ward funds. He also advised that they are wanting to set new hours for the Marina: Sunday-Thursday 9-4 and Friday & Saturday 9-6. The Lake will start selling gas again as soon possible.

Mayor Barry advised the Committee that the City would like to hire two more people to work at the Cemetery through the summer, possibly a little longer.

Mayor Barry brought an issue to the Committee's attention in reference to the pay scale for the Police Department. He advised that some adjustments need to be made for the 12 hour and 8 hour shift differences to keep the pay in line with what it was.

Mayor Barry advised the Committee that the Municipal Building will remain closed through the month of June.

Mayor Barry stated that Andy Goodall has sent letters to four different property owners in references to buildings being in disrepair.

Mayor Barry and the Alderman had a discussion concerning Attorney bills for ordinance violations.

Motion by Alderman Driskell and seconded by Alderman Olive to adjourn. Motion carried 4-0. Meeting adjourned at 7:52 P.M.
